Subject: Renewal of recognition of Gujarat Energy Training & Research Institute (GETRI),
Vadodara - reg.

Sir,

On submission of application by Gujarat Energy Training & Research Institute (GETRI), autonomous body promoted by Gujarat Urja Vikas Nigam Ltd (erstwhile Gujarat Electricity Board) for its recognition, it was visited by a CEA team in July, 2014 to ascertain the requisite facilities for training as required in the CEA (Measures relating to Safety and Electricity Supply) Regulations 2010. The Centre was established with a view to offer a platform for providing state-of-the-art facilities for training, skills upgradation, research and documentation of best practices in the power industry. It is observed that GETRI has its independent building in the campus and houses well-furnished classrooms equipped with latest audio-visual gadgets, conference hall, huge library of GETRI, and faculty rooms, state-of-the-art basic and advanced laboratories and workshops, hostel with modern amenities, and serene and green ambience conducive for learning. The training Institute is equipped with full-time faculty members with expertise in power sector - Generation, Transmission, Distribution, Regulatory, IT, Finance, Commerce and HRD. The Institute also calls upon eminent external faculty with rich and vast experience in their respective fields both in India and abroad. The training is imparted through class room lecture which are participative in nature and constant interaction by the trainers, practical session, workshop/lab projects, on-job training and case studies and presentation by each trainee.

2. GETRI satisfies various basic requirements in terms of institutional facilities, organization & staffing, training methodology and instructional capabilities for recognition under the provision of CEA (measures relating to Safety and Electricity Supply) Regulations 2010 and as per CEA Guidelines for recognition of training Institutes. Based on appraisal carried out, the grading as 'A' in accordance with CEA guidelines. The CEA team's observations are given below:

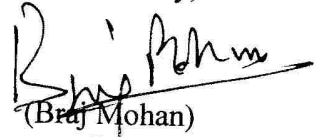

- (i) GETRI fulfill the mandatory requirements for any training institute set up for training of Power Sector personnel as per Clause 9.0 (i) to (v).
- (ii) Demonstration by simulator for training is not available in this training institute complex, GETRI used this facilities at thermal power station of Gujarat at Wanakbori.
- (iii) Observations raised / suggest to GETRI in the last renewal of recognition are fulfilled by the GETRI Institute.
